

WATERLINE

Congratulations to Don and Janet of Minyama, who recently took delivery of their Stage 3 Lightwave 38' sailing catamaran, 'WATERLINE', named after the Dire Straits song 'Down to the Waterline'. Based on the Sunshine Coast, 'WATERLINE' will spend the rest of this year on the East Coast before cruising to the Kimberley's in Western Australia to welcome in the New Year. Don, Janet and family are looking forward to displaying their sailing skills whilst competing in next years' Lightwave Owners' Regatta Cup Challenge, which will be held in April on the Gold Coast. When asked what appealed to them about Lightwave Yachts, Don commented, 'The quality and styling of the vessel, amongst other features, represented good value for money. The Lightwave 38' perfectly suits our cruising requirements'. We wish them all the best in their sailing adventures and look forward to hearing about their journeys at the Lightwave Regatta.
