LIGHTWAVE 38' PC

The Lightwave 38' Power Catamaran is luxuriously appointed. The standard accommodation includes two queen size staterooms and a third double cabin. A large bi-fold sliding saloon door offers a seamless flow to the cockpit and saloon areas and the optional Galley Up layout makes this an entertainers masterpiece. A full forward ensuite with separate shower and toilet is available in the layout options. The extended aft cabin option features a viewing window in the hull and offers an island style queen bed. An end mounting queen size bed is also available in the port forward cabin. The optional flybridge, adds a dominant edge to the sleek lines of the vessel. It has access via internal steps on the port side of the cockpit, providing safe and secure entry. Featuring a forward facing console on the starboard side with twin seat, and perimeter seating, this area offers an impressive extension to the entertainment area and a bird's eye view for the skipper.
